) REGULATION"

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of the Application of Intercontinental Communications Group, Inc. d/b/a ICLD ("ICLD" or the "Company") requesting a Certificate of Public Convenience and Necessity authorizing it to operate as a reseller of intrastate interexchange telecommunications services in the State of South Carolina. Additionally, the Application requested that all of ICLD's business service offerings be regulated pursuant to the procedures described and set out in Order Nos. 95-1734 and 96-55 in Docket No. 95-661-C. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1996) and the Regulations of the Public Service Commission of South Carolina.

The Commission's Executive Director instructed ICLD to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the

Notice of Filing was to inform interested parties of ICLD's Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. ICLD complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. A Petition to Intervene was filed by the Consumer Advocate for the State of South Carolina ("Consumer Advocate").

A hearing was commenced on February 19, 1997, at 10:30 a.m., in the Commission's Hearing Room. The Honorable Philip T. Bradley, Vice Chairman, presided. ICLD was represented by Bonnie D. Shealy, Esquire. Elliott F. Elam, Jr. Esquire, represented the Consumer Advocate. Catherine D. Taylor, Staff Counsel, represented the Commission Staff.

William R. Heitz, Chief Corporate Counsel of ICLD, appeared and offered testimony in support of ICLD's Application. Mr. Heitz stated that ICLD is a Florida corporation which is registered to do business in South Carolina as a foreign corporation. Mr. Heitz explained the Company's request for authority to provide interexchange telecommunications services in South Carolina as a reseller. The record reveals the Company's services, operations and marketing procedures.

Further, Mr. Heitz offered that ICLD possesses the technical, financial and managerial abilities to provide its services in South Carolina. The record further reveals that the Company agreed to and made certain changes to its proposed tariff, as suggested by the Staff and the Consumer Advocate, to comply with Commission guidelines and prior Orders.

The Company introduced a Stipulation that the Company had reached with the Consumer Advocate. By its Application, the Company requested that all of its business service offerings be regulated in the same manner as the Commission permitted for AT&T Communications of the Southern States ("AT&T") pursuant to the procedures set forth in Order No. 95-1734 and Order No. 96-55 in Docket No. 95-661-C. In particular, ICLD seeks that:

(a) its business services offering tariffs not be required to state maximum rates (caps);

(b) such tariffs be presumed valid upon filing, subject to the Commission's right within seven (7) days to institute an investigation of the tariff filing, in which case such filing shall be suspended pending further order of the Commission;

(c) it shall be subject to the same monitoring process as similarly regulated companies.

Hearing Exhibit No. 1 (Stipulation of ICLD and the Consumer Advocate).

The Stipulation further provides that

(1) The Consumer Advocate does not object to ICLD's requests regarding presumptively valid tariffs and a similar monitoring process;

(2) The Consumer Advocate has appealed the Commission's decisions in the AT&T (Porter v. PSC and AT&T, 96-CP-40-0677) and Cable & Wireless (Porter v. PSC and Cable & Wireless, 96-CP-40-3187) cases and that the AT&T appeal is currently before the South Carolina Supreme Court and the Cable & Wireless appeal is before the Court of Common Pleas in Richland County;

(3) Should the Commission grant the full relief ICLD requests, and should the Supreme Court find in the above-referenced AT&T appeal that the Commission lacks statutory authority to permit removal of the maximum rate caps in the manner granted for AT&T in Order Nos. 95-1734 and 96-55, then ICLD will immediately, upon notice of such ruling, file the maximum rates shown on the Exhibit A which is attached to the Stipulation;

(4) In the interim period prior to the

Supreme Court ruling on the AT&T appeal, ICLD will inform the Consumer Advocate of any instances in which it raises prices for its the services at issue in this proceeding to a level which is in excess of the maximum rates on Exhibit A (attached to the Stipulation - Hearing Exhibit No. 1).

Hearing Exhibit No. 1 (Stipulation of ICLD and the Consumer Advocate).

The Company requested Commission approval of the Stipulation. The Stipulation was voluntarily signed by the parties, and the Commission will therefore approve the Stipulation.

After full consideration of the applicable law, the Company's Application, and the evidence presented at the hearing, the Commission hereby issues its findings of fact and conclusions of law:

FINDINGS OF FACT

1. ICLD is incorporated under the laws of the State of Florida and is licensed to do business as a foreign corporation in the State of South Carolina by the Secretary of State.

2. ICLD operates as a non-facilities based reseller of interexchange services and wishes to provide its services in South Carolina.

3. ICLD has the experience, capability, and financial resources to provide the services as described in its Application.

CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to ICLD to provide intrastate interLATA service and to originate and terminate toll traffic within the same LATA, as set forth herein, through the resale of intrastate Wide Area

Telecommunications Services (WATS), Message Telecommunications Service (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Stipulation filed by ICLD and the Consumer Advocate is approved by this Commission, is binding upon ICLD and the Consumer Advocate, and shall be implemented as set forth in the Stipulation and this Order.

3. Regarding the Company's non-business services offerings, the Commission adopts a rate design for ICLD which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984). ICLD shall not adjust its rates for its non-business service offerings below the approved maximum level without notice to the Commission and to the public. ICLD shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum

rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S.C. Code Ann. §58-9-540 (Supp. 1996).

4. With regard to business service offerings, ICLD requested that its business service offerings not be required to state maximum rates; that its tariffs be presumed valid upon filing, subject to the Commission's right within seven (7) days to institute an investigation of the tariff filing, in which case such filing would be suspended pending further order of the Commission; and that it be subject to the same monitoring process as similarly regulated companies. ICLD's request is similar to the regulatory treatment approved for AT&T in Docket No. 95-661-C as granted in Order No. 95-1734 and Order No. 96-55. ICLD and the Consumer Advocate reached a Stipulation regarding ICLD's request, and the Commission has approved the Stipulation herein.

Therefore, pursuant to the Stipulation and Order Nos. 95-1734 and 96-55 in Docket No. 95-661-C, ICLD is granted "alternative regulation" as set forth in Orders Nos. 95-1734 and 96-55. Therefore, with respect to business service offerings, including credit card services, operator services, private line services, and customer network offerings, tariff filings will be presumed valid upon filing. If the Commission institutes an investigation of a particular filing within seven days, then the tariff filing will be suspended until further Order of the Commission. Any relaxation in the future reporting requirements that may be

adopted for AT&T shall apply to ICLD also.

Pursuant to the Stipulation approved herein, should the Supreme Court find in the above-referenced AT&T appeal that the Commission lacks statutory authority to permit removal of the maximum rate caps in the manner granted for AT&T in Order Nos. 95-1734 and 96-55, and granted to ICLD herein, then ICLD will immediately, upon notice of such ruling, file the maximum rates shown on the Exhibit A which is attached to the Stipulation. Furthermore and also pursuant to the Stipulation, in the interim period prior to the Supreme Court ruling on the AT&T appeal, ICLD will inform the Consumer Advocate of any instances in which it raises prices for its business services offerings to a level which is in excess of the maximum rates on Exhibit A (attached to the Stipulation - Hearing Exhibit No. 1).

5. If ICLD has not filed its revised tariff and price list by receipt of this Order, ICLD shall file its revised tariff and an accompanying price list within thirty (30) days from the date of receipt of this Order. The revised tariff shall be consistent with the findings of this Order and shall be consistent with the Commission's Rules and Regulations.

6. ICLD is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers should be treated similarly to facilities-based interexchange carriers.

7. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if the end-user so desires.

8. ICLD shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If ICLD changes underlying carriers, it shall notify the Commission in writing.

9. With regard to the origination and termination of toll calls within the same LATA, ICLD shall comply with the terms of Order No. 93-462, Order Approving Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

10. ICLD shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

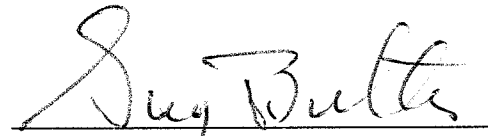

11. The Company shall, in compliance with Commission regulations, designate and maintain an authorized utility representative who is prepared to discuss, on a regulatory level, customer relations (complaint) matters, engineering operations, tests and repairs. In addition, the Company shall provide to the Commission in writing the name of the authorized representative to be contacted in connection with general management duties as well as emergencies which occur during non-office hours.

ICLD shall file the names, addresses and telephone numbers of these representatives with the Commission within thirty (30) days of receipt of this Order. Attachment B shall be utilized for the provision of this information to the Commission. Further, the Company shall promptly notify the Commission in writing if the representatives are replaced, and the Company is directed to comply with the Commission regulations unless waived by the

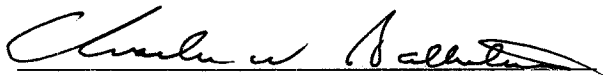

Commission.

12. This Order shall remain in full force and effect until further Order of the Commission.
